

ASPB WETLAND HEALTH ASSESSMENT WORKSHOP

PRESENTED BY

Kathryn Hull and Norine Ambrose

Tuesday, April 14, 2009, 10:00 am to 4:00 pm

Location: Calgary (Details supplied to Paid Registrants)

Workshop coordinator can be reached for inquiries at laurie@zanshinenvironmental.com

Class Size Limited to 20 registrants

In keeping with Alberta's new Wetland Policy, the ASPB would like to offer, in conjunction with the 2009 Conference, the Wetland Health Assessment Workshop, presented by the Cows and Fish Program. The workshop consists of a two hour classroom session followed by hands on field training in the afternoon. Registration includes lunch, refreshments, and manuals. Don't miss this very popular workshop. Previous workshops have filled very quickly.
