## Program Professional Liability Insurance Quiz

Circle the correct response (see below for answers):

### 1. The Professional Liability policy will provide coverage for work:

- a) in Canada only.
- b) in Canada and the U.S.A. only.
- c) any where in the world.
- d) any where in the world as long as any claim or lawsuit is first brought in Canada.

### 2. The Pollution Exclusion in the Professional Liability policy means that:

- a) work cannot be done on a polluted site.
- b) any pollution caused by or attributed to by the professional is not covered.
- c) automobiles should not be used while working.
- d) pollution needs to stop.

### 3. If a professional is to provide their prescription to a client by a specified date and fails to meet the deadline, the Professional Liability policy will:

- a) pay any additional costs incurred to the client.
- b) exclude any additional costs under the Delays exclusion of the policy, unless caused by an error or inaccuracy in the preparation.
- c) assist the client in chasing after the professional.
- d) be cancelled as that would be conducting business unprofessionally.
