

## Peggy Thompson Award Nomination Form

Any ASPB member can nominate a publication written by any ASPB member (**formerly, this excluded members of the Board of Directors, but now only members of the Awards Selection Committee are ineligible**). You may even nominate your own publications. Select the appropriate category of publication award, and ensure that the member who is being nominated was an ASPB member at the time of publication. If there are multiple authors, the ASPB member must have played a significant part in the publication. The publication date must have been within two years of December 31, 2009. The study area need not be in Alberta.

***Deadline for nominations to be received by Awards Committee is March 31, 2010.***

### ***Check Category***
